1. **CUT** along the solid, black lines.
2. **GLUE** the designated areas; a **glue stick** or **double-sided tape** is recommended for this.
3. **FOLD** in **Flap A**, followed by **Flap B**, so that Flap B overlaps the glued section of Flap A.
4. **FOLD** up **Flap C** to overlap the exposed glue sections of Flaps A and B.
